

SFA Observatory

Public Viewing Information

The [SFA Observatory](#) is located eleven miles north of the historic East Texas city of Nacogdoches off of highway 259. [REDACTED] For information about group tours please call the SFA Department of Physics and Astronomy (936)468-3001. Our tours are free of charge.

Detailed Directions

1. Start from Wal-Mart on the north loop in Nacogdoches. That's NE Stallings Drive, loop 224.
2. Go 7.5 miles north on 259.
3. [Turn right on CR123](#). It is an asphalt road. There is a lighted sign that says "Walter C. Todd Beef Farm" on the right before the turn.
4. [Veer left](#) after 0.3 miles to avoid going into the SFA Beef Farm.
5. Now continue 0.4 miles and then [turn right](#) on CR124.
6. Go 0.3 miles and [turn right](#) onto the SFA Observatory driveway.
7. The staff members will direct you to a parking place. Clear skies!
